Dear Mr Katonha

Welcome to OUTsurance where "you always get something out". The enclosed pack contains your policy wording and schedule confirming the details of your cover. Please make sure that the items covered are no longer insured elsewhere to avoid duplication of insurance cover. It is also your responsibility to ensure that the cover amount is appropriate to prevent under-insurance or over-insurance. Should you be materially under-insured, we may adjust your claim amount in line with the shortfall in cover.

In addition, we wish to highlight the following benefits:

- Emergencies occur when we least expect them and help is at hand through **Help@OUT**, our free **24-hour emergency assistance** program.
- Please read the paragraph headed "DO NOT TOW" under the vehicle section of your Schedule.
- An important road safety reminder: our Buddy@OUT option offers an alternative to drinking and driving. For a subscription fee of R20 per month plus a further charge per trip, our Buddy@OUT drivers will make sure that you and your car get home safely. Please note Buddy@OUT is not applicable to Fleet risks.
- Load shedding, power surges and lightning strikes can cause costly damage to your building's fixtures and fittings, electronic equipment and plant and machinery. You can implement a valuable line of defence against power surges by making use of surge protection devices. Should you be interested in effecting surge protection in your Business, you can make use of the discount granted to OUTsurance clients by Clearline (<http://www.clearline.co.za/>) on their surge protection equipment. To qualify for this discount, visit our website at <http://www.outsurance.co.za/home-insurance/lightning-surge-protection/> for more information.

Please contact us on **08 600 70 000** where our advisors are on call to assist you with any enquiries regarding your policy or claims. Our working hours on weekdays are 08h00 to 18h00 for Client Care, 07h00 to 18h00 for Claims and 08h00 to 13h00 on Saturdays for both Client Care and Claims.

We are confident that your policy provides you with real value for money, combining the widest cover and benefits for you.

Kind regards,

**Wilbur Smith**
